Good morning,

Thanks everyone for your input so far. Yes, I will wait for OGC to review before doing anything with the draft response.

Much appreciated!
Olivia

Hi Olivia,

Quinn, Julie and I have reviewed the letter and have comments. However Amber and Angela are just possibly reviewing this today. Their input is valuable and I hope you can wait for it.

Thanks

Hi all,

For input and review, attached and below is a draft response to a letter from American Bird Conservancy and signed by a larger group of environmental NGOs. I used the response we wrote for Senator Booker as a starting point and made adjustments based on the distinct concerns in this letter.

OGC – if you'd like to wait to review until others have provided their input, that is ok with me!

Others – if you can review/edit as needed by COB Tuesday 11/22, that would be great.
